LISTING DESCRIPTION	Bee-Shaped Seed Bomb Bag with 10 Seed Bombs: Buzzing with Potential for Environmental Groups and Pollinator-Friendly Brands
PRODUCT DETAILS	<p>Contents: Includes 10 van-shaped seed bombs, ready to turn any space into a thriving display of wildflowers, capable of covering up to 30sqft – akin to the footprint of 3 washing machines. Size: Bag: 120mm x 150mm; Tag: 85mm x 55mm. Material: This bag is made from a durable and eco-friendly mix of cotton, polyester, and linen, designed for reuse long after the bees have been planted. It's ideal for further eco-friendly projects or everyday use. Swing Tag: Comes with a swing tag printed on 400gsm silk card stock, offering a vivid, full-colour canvas for your brand message and logo, all while being attached with an environmentally responsible rPET tag featuring at least 90% post-consumer waste. Seeds: Nestled within each bee-shaped bomb is a variety of onsite-grown wildflower seeds, chosen for their easy growth and vibrant impact on local biodiversity. Basil seeds are also available upon request for those seeking a unique touch, at an additional charge. Overview: Choose our Bee-Shaped Seed Bomb Bag for a promotional item that combines effortless planting, unforgettable impact, and eco-friendly values. Simple to use, these seed bombs make gardening accessible to everyone, ensuring your brand is remembered every time the wildflowers bloom. Ideal for businesses aiming to leave a lasting, positive impression, this product is not just a gift but a statement of sustainability.</p>
